KENT, ENGLAND

## BALFOUR WINES

Balfour pioneers both English traditional method sparkling wines and world class red, white and rosé wines. Now making over 400,000 bottles of still and sparkling wines each year, Balfour is one of England's most respected and renowned producers combining world class wine-making with the spirit of innovation.

Produced at the Balfour Winery on the Hush Heath Estate, hidden deep in the garden of England, Kent, Balfour wines benefit from a warmer than average climate, long growing season and excellent soil types, providing the perfect growing conditions, for both our grapes and apples. Balfour Wines are known for their clean, fresh and precise style. Brilliantly clear colour, distinctive fruit on the nose and a wonderful balance of fruit and vibrant English acidity on the palate, giving way to a long mouth watering finish.
